To Whom It May Concern:

Please be informed that **Jerry Kuhlman, Jennifer O'Mahoney and their family and friends** are soliciting for the **17th Annual Summer Solstice** being held in Chester County on **Saturday, June 21, 2008** in which all proceeds will benefit the Cystic Fibrosis Foundation. We are asking for your help by donating items or gift certificates that can be used for auction or sale during the event. Any funds that you donate will help in our effort to raise monies for research to find a cure for Cystic Fibrosis, and help children with this progressive and fatal disease live a healthier life.

CF is a genetic disease affecting approximately 30,000 children and adults in the United States. CF causes the body to produce abnormally thick, sticky mucus. This abnormal mucus leads to chronic and life-threatening lung infections and impairs digestion. Despite all the research breakthroughs, we are still losing precious lives.

The Summer Solstice is held on a beautiful 300 acre farm in Chester County filled with music from many local bands in the tri-state area performing. It is a family day that many come out to enjoy. We are proud to announce it is the second consecutive year that Summer Solstice has chosen the Cystic Fibrosis Foundation to donate their proceeds to and we are honored to be a part of this event. Your commitment and support will make a difference in the lives of all Cystic Fibrosis patients and would play a major role in the research process.

The CF Foundation has frequently been cited as one of the top charities in the health-research category. Maintaining efficiency and a strict commitment to programs on behalf of all people with CF is essential to our mission. Rest assured that the CF Foundation will remain on the same path until the fight against CF is brought to a triumphant close.

Please consider sponsoring this year's Summer Solstice. I thank you for your support in the fight against Cystic Fibrosis. For your records, the CF Foundation's Federal Tax Identification Number is 13-1930701. If you have any questions, please contact the Foundation at (610) 325-6001.

Sincerely,

Robin Clarke
