**The annual “Friends of Autocar” Meeting and Banquet will be held
Saturday, September 18, 2021
At the Goshen Fire Company at 1320 Park Avenue, West Chester, Pa.**

The Autocar only truck show and luncheon will start at 10a.m. with the arrival of trucks for show in the parking area around the firehouse. There will be a large area for this. The luncheon will start at noon. The truck show will continue after the luncheon until all the truck owners wish to leave for home. At the luncheon we will have Autocar memorabilia on display and stories to go along.

We are looking forward to many of our friends bringing their Autocar trucks and equipment to our show this year. This will be 121 years of manufacture of Autocars (1897-2018), the first truck built in America. We will be covering subjects like, the Autocar Company’s long and unique history, and the role of the Autocar Company in the years to come.

If you know anyone who has been missing the fun and fellowship of a “Friends of Autocar” meet, please bring them with you.

Thanks,
The Friends of Autocar Committee

Please fill out the cut-off form below and return ASAP to:

Ted Goldsborough
101 Bentley Ave
Bala Cynwyd PA. 19004-2805
